Center:_____   **Classroom:**_____   **Classroom Illness Symptom Log**

Instructions:
Diarrhea (D) or Vomiting (V): When a child or staff has an incident: record date, name and a mark under the day and symptom. Add a tick mark for each episode.
Fever (F): If a child or staff has a fever, record the temperature in the box.
Out: Mark the "out" box if a child or staff is out due to illness OR if you exclude the child or staff due to illness. If a child or staff was sick over the weekend, check the "out" box and record symptoms in the "**Notes**" section.
"Notes" section: Record other illness symptoms or diagnosis under "notes."
*If 3 or more children/staff have diarrhea and/or vomiting in a 7 day span or have a reportable communicable disease **or** 1 child/staff has bloody diarrhea report immediately to the director.*
